

Use of the UAF Logo & QAC Certification Mark is subject to the conditions detailed below:

1. Where UAF Logo & QAC Certification Mark is used, the client shall ensure:
 - (a) That they are used together, not in isolation and not disproportionately represented, and positioned in a manner that ensures the relationship between the UAF and the QAC Certification Mark along with the Standard and Certification No.
2. Use shall be restricted to correspondence, advertising, and promotional material that is directly applicable to the scope of registration as shown on the Registration Schedule.
3. The UAF Logo shall not be used in such a way to suggest that the Accreditation Council, , or any Government Minister, have certified or approved the client’s activities, or in any other misleading manner.
4. The UAF Logo must be as per UAF Guidelines, the wording to be clearly Visible.
5. Use shall be such that there is no implication that the goods or services themselves are approved by UAF & QAC.
6. UAF Logo & QAC Certification Mark issued within the framework of a quality system certification programme.
 - (a) may be used on stationary, literature and publicity material;
 - (b) shall NOT be used on a product, or in any way that may be interpreted as denoting product conformity;

Note: The table below provides guidance on the use of certification/ registration marks for indicating when a product has been made under a certified/ registered quality management system.

		On Product * 1	On larger boxes etc. used for transportation of products *2	In Pamphlets etc. for advertisement
Use of Marks *3	Without a statement	Not allowed	Not allowed	Allowed *5
	With a statement *4	Not allowed	Not allowed	Allowed *5

- *1. This could be a tangible product itself or product in an individual package container etc.
- *2. This applies to marks that have a specific form including some basic description of its applicability. A statement in words alone does not constitute a mark in this sense. Any such wording should be true and not mislead.
- *3. The statement includes reference to identification (e.g. brand or name) of the certified client, type of management system (e.g. QMS, EMS, OHSMS) and the applicable standard; the QAC issuing the certificate. Rules governing the use of any statement on product packaging or in accompanying information that the client has a certified management system. Product packaging is considered as that which can be removed without the product disintegrating or being damaged. Accompanying information is considered as separately available or easily detachable. Type labels or identification plates are considered as part of the product. The statement shall in no way imply that the product, process or service is certified by this means.

QAC MANAGEMENT PRIVATE LIMITED
